Transparently managing royalty streams

TMF Group provides tailor-made solutions to maximize client's earning potential from intellectual property assets. We enable clients and business partners to deal with royalty management challenges - placing and exploiting their IP rights and collecting their revenues.

■ **Coordination**

We liaise with all parties involved in complex intellectual property transactions and ensure that all transaction documents are collected at one central location.

Your cross-border operations – compliance assured

With a genuinely global network, TMF Group offers a comprehensive range of accounting, corporate secretarial and HR & payroll services, helping clients globalize their operations seamlessly.

Our expert staff have the key local knowledge and speak the language, providing our clients with a single point of contact and enabling them to stay focused on their core business.

TMF
GROUP

■ International licensing

Our dedicated team works closely with a network of international lawyers, accountants and specialized advisors to provide clients with an unrivaled level of service and expertise. We will take on any kind of challenge involving royalty management and the exploitation of intellectual property rights.

■ Collection account management

As a trusted third party we collect, administer and disburse revenues derived from the exploitation of audio-visual works such as films, television programs and video games. We provide our clients with fully transparent and impartial overviews of the financial status of the exploitation of these audio-visual works. As collection account manager, we protect parties with financial stakes in such projects' revenues from financial and economic risks specific to the audio-visual industry.

HOW CAN WE HELP YOU?
