

# Are you investing in Ireland?

**Understanding and managing the local administration and reporting requirements in numerous territories is complex and distracts you from your key focus: managing your business. TMF Group is here to help you expand more quickly, more safely and with more control.**

TMF Group has a proven track record of successfully partnering with foreign companies who have decided to set up an operation in Ireland.

The global expert with the right local knowledge to make your growth ambitions a reality, we can help you manage your operations while controlling costs and minimising risk. We are wholly-owned and completely independent, and have a global reach that is hard to match.

## Why Ireland?

Ireland is one of the most popular locations for multinationals to invest in Europe. We have an attractive tax rate, a talented and highly-skilled workforce, and sound technology capabilities. It's already home to FDI operations from a wide range of industries - including IT, pharmaceutical, software development, digital media, financial services and life sciences - that have found plenty of success.

## Independence

TMF Group is not affiliated with any financial institution, law, tax or audit firm, making it a truly independent services provider. As a result, we do not have any conflict of interest within our services and can work with any legal or advisory firm. Furthermore, our independence guarantees that we always put the interest of our clients first.

## Flexible, responsive and client-focused approach

We have a dedicated team of flexible and responsive professionals helping you every step of the way. We also have a well-established network of international relationships with leading legal and taxation advisors. We would welcome the opportunity to discuss our experience in this field and how we may be of assistance to you.

## Case study: global market research company

One client is a leading global market research company, headquartered in the US. When they needed to establish a European hub in Ireland they chose TMF Group.

We provide corporate secretarial, payroll, accounting and tax services to the Irish operation, such that the accounting and administration functions are fully outsourced. Their Irish operations grew from an initial six employees to more than 70, and following this success they chose to work with TMF Group in France, Germany and other countries.
